State Bank of Pakistan Website Walkthrough

The State Bank of Pakistan website hosts a large amount of statistical information helpful to importers and exporters.

<http://www.sbp.org.pk/>

Step 1: Access the State Bank of Pakistan website

Step 2: In the upper right-hand corner, under the search box, click on the “Economic Data” tab

Step 3: A new page will appear. Scroll towards the bottom of the page until you see the “Trade in Goods and Services (BOP)” heading

Step 4: From here, you may access information regarding which goods Pakistan imports and from which countries, as well as which goods Pakistan exports and to which countries.

Step 5: Archives are downloadable in the adjacent table that hold information up to 10 years prior
